

Forest harvest and trade data Ireland 2006 – 2007

Table 1: Irish roundwood harvest (2006-2007)

Year	Public sector harvest	Private sector harvest	Total roundwood harvest
	m3		
2006	2,700,411	237,883	2,938,294
2007	2,577,000	403,823	2,980,823

Data are for the Republic of Ireland, and exclude imports from Scotland and from Northern Ireland.

Volumes are in cubic metres over bark.

Table 2: Volume of sawnwood exported from Ireland (2006-2007).

Year	Sawn conifer timber	Sawn hardwood timber	Total sawnwood
	m3		
2006	390,260	2,331	392,591
2007	378,202	2,696	380,898

Table 3: Volume of sawnwood exported from Ireland (2006-2007).

Year	Sawn conifer timber	Sawn hardwood timber	Total sawnwood
	€000		
2006	€50,688	€1,404	€52,092
2007	€69,295	€1,682	€70,977

Volume/value of sawnwood exported from the Republic of Ireland (2006-2007) are based on aggregation of raw trade data supplied by the Central Statistics Office (CSO) www.cso.ie

Table 4: Volume of temperate sawnwood imported to Ireland (2006-2007).

Year	Sawn conifer timber	Sawn hardwood timber	Total sawnwood imported
	m3		
2006	868,660	55,324	923,984
2007	599,904	58,913	658,817

Table 5: Value of temperate sawnwood imported to Ireland (2006-2007).

Year	Sawn conifer timber	Sawn hardwood timber	Total sawnwood imported
	€000		
2006	175,898	31,896	207,794
2007	176,747	35,033	211,780

Volume/value of temperate sawnwood imported to the Republic of Ireland (2006-2007) are based on aggregation of raw trade data supplied by the Central Statistics Office (CSO) www.cso.ie

Table 6: Volume and value of wood based panels (WBP) exported from Ireland (2006-2007).

Year	Volume of WBP exported	Value of WBP exported
	m3	€000
2006	827,335	240,108
2007	756,663	262,410

Volume/value of WBP exported from the Republic of Ireland (2006-2007) are based on
